PAYMENT POLICIES

- If your managed care plan requires a referral to see a specialist, you are responsible for making sure your PCP (primary care provider) has completed this.
- All co-payments, co-insurance, deductibles, and non-covered service fees are due at the time of service, as per our contract with your insurance carrier.
- The parent or guardian that brings the patient to their appointment is responsible for paying the amount due at the time of service.
- If your account is sent to our collection agency for non-payment, the patient will be discharged from our practice until the balance is paid in full.

APPOINTMENTS

- 24 hour notice (of your appointment time) is requested for cancellation of an appointment. For Monday appointments, please call on Friday. Cancellation notice within less than the requested time will result in a $100 cancellation fee for new patient appointments and $50 cancellation fee for existing patients.
- All patients under the age of 18 **must** be accompanied by a parent or legal guardian to all appointments or the patient will not be seen. If someone other than the parent or legal guardian brings to the patient to an appointment, they must have **written and notarized** permission from the parent or legal guardian. Step-parents without legal custody must provide written notarized permission from both parents.

PRESCRIPTION REFILLS

- Prescription refills will only be completed during regular office hours. Patients must be seen within the recommended time frame given by the medical provider or a minimum of 6 months, whichever is less.
- Refill requests will be completed within 2 business days of request.
